GENERAL SUMMARY:

The Security Lead establishes and maintains best practices in security oversight to ensure safety and security of all people and property throughout America's Car Museum (ACM) facilities. Duties include: Assisting in hiring and training security personnel; Training and oversight of Collection Monitor Volunteers; Assisting Facilities Manager in strategic planning for security development; Controlling all security documentation and ensuring all policies related to security and safety are followed; Assisting, advising, and guiding all departments regarding security regulations and procedures; Coordinating outside contacts with law enforcement, emergency services, and contract security personnel; Creating rotation schedules ensuring museum and grounds are being monitored during all hours of operation including events and all of their activities; Conducting regular foot patrols; Monitoring CCTV and alarm systems; Communicating and enforcing Museum regulations and procedures; Answering questions and providing directions for guests; Ensuring Security staff respond to all emergencies and incidents; Investigating reports of suspicious activity; Overseeing crowd control; Monitoring doors and building access; Administering first aid and CPR; Completing incident reports and logging; and, Contacting police, fire, or ambulance for situations requiring high-level intervention.

This position description has been designed to indicate the general nature and level of work performed by jobholders within this role. It is not designed to contain, or to be interpreted as, a comprehensive inventory of all duties, responsibilities, and qualifications required of employees assigned to the job. To perform the job successfully, an employee must perform each essential responsibility satisfactorily. These requirements are representative, but not all-inclusive, of the knowledge, skills, and abilities required for this position. Reasonable accommodation may be made to enable individuals with disabilities to perform these essential functions.

PRIMARY OBJECTIVES:

1. Ensure best practices outlined by Management are being deployed in the safest possible manner providing a safe environment for guests, staff, vendors, and volunteers.
2. Enforce all security and related safety policies, procedures, protocols, and train staff within the Museum to encourage optimum safety of people and objects.
